The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please contact MIT at 1-800-327-1021 or email at MITinfo@scmedical.org. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-800-380-0193 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: **$3,000/person; $6,000/family of 3+** Out-of-Network: **$6,000/person; $12,000/family of 3+**	Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, the overall family **deductible** must be met before the **plan** begins to pay.
Are there services covered before you meet your deductible?	Yes. Includes **preventive care**, **screening** and **immunization** at an **in-network provider**.	This **plan** covers some items and services even if you haven't met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your deducible. See a list of covered **preventive services** at https:www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No, there are no other **deductibles**.	You do not have to meet **deductibles** for specific service, but see the chart starting on page 2 for other costs for services this **plan** covers.
What is the out-of-pocket limit for this plan?	In-Network: **$3,000/person; $6,000/family of 3+** Out-of-Network: **Unlimited** Annual Maximum including Transplants: **Unlimited**	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, the overall **out-of-pocket limit** must be met.
What is not included in the out-of-pocket limit?	**Premiums**, **balance-billed** charges, Penalties for failure to obtain **pre-authorization** for services, certain **specialty drugs**, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See http://www.paisc.com/members/scmamembersinsurancetrust.aspx or call 1-800-327-1021 for a list of **network providers**.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **Plan's network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider's** charge and what your **plan** pays (**balance billing**). Be aware your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No	You can see the **specialist** you choose without **referral**.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
