Summary of Benefits and Coverage: What this Plan Covers & What You Pay for Covered Services SCMA: South Carolina Medical Association Voluntary Employees' Beneficiary Association Welfare Benefit Plan and Trust: Prime Plus

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In-Network: <b>\$3,000/employee; \$6,000/family</b> Out-of-Network: <b>\$5,000/employee; \$10,000/family</b>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. Includes <u>preventive care</u> at an <u>in-network</u> provider.	This <u>plan</u> covers some items and services even if you haven't met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-Network: <b>\$7,900/employee; \$15,800/family</b> (Embedded individual <u>out-of-pocket limit</u> for members with dependent coverage: \$9,100) Out-of-Network: <b>Unlimited</b> Annual Maximum including Transplants: <b>Unlimited</b>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges (unless balance- billing is prohibited), penalties for failure to obtain pre-authorization for services, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>http://printadirectory.rrd.com/?source=PAI</u> Or call 1-800-327-1021 for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's network. You will pay the most if you use an <u>out-of-network</u> <u>provider</u> (with the exception of certain ambulance services, emergency services, and non-emergency services furnished at a <u>network provider</u> facility) and you might receive a bill from a <u>provider</u> for the difference between the

		provider's charge and what your <u>plan</u> pays ( <u>balance-billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
