

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please contact MIT at 1-800-327-1021 or email at [MITinfo@scmedical.org](mailto:MITinfo@scmedical.org). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p>In-Network: <b>\$3,500/employee; \$7,000/family</b>                      Out-of-Network: <b>\$6,500/employee; \$13,000/family</b></p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Yes. Includes <a href="#">preventive care</a> at an <a href="#">in-network provider</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p>In-Network: <b>\$7,900/employee; \$15,800/family</b>                      (Embedded individual <a href="#">out-of-pocket limit</a> for members with dependent coverage: \$9,100)                      Out-of-Network: <b>Unlimited</b>                      Annual Maximum including Transplants: <b>Unlimited</b></p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p><a href="#">Premiums</a>, <a href="#">balance-billing</a> charges (unless <a href="#">balance-billing</a> is prohibited), penalties for failure to obtain <a href="#">pre-authorization</a> for services, and health care this <a href="#">plan</a> does not cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p>Will you pay less if you use a <a href="#">network provider</a>?</p>	<p>Yes. See <a href="http://printadirectory.rrd.com/?source=PAI">http://printadirectory.rrd.com/?source=PAI</a>                      Or call 1-800-327-1021 for a list of <a href="#">network providers</a>.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the plan's network. You will pay the most if you use an <a href="#">out-of-network provider</a> (with the exception of certain ambulance services, emergency services, and non-emergency services furnished at a <a href="#">network provider</a> facility) and you might receive a bill from a <a href="#">provider</a> for the difference between the</p>

Important Questions	Answers	Why This Matters:
		<a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance-billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	You can see the <a href="#">specialist</a> you choose without <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
