

GROUP VOLUNTARY HOSPITAL INDEMNITY INSURANCE BENEFIT HIGHLIGHTS

The average cost for a hospital stay is \$2,607 per day¹

South Carolina Medical Association Members Insurance Trust

Hospital Indemnity (HI) insurance pays a cash benefit if you or an insured dependent (spouse or child) are confined in a hospital for a covered illness or injury. It also provides additional daily benefits for related services. Even with the best primary health insurance plan, out-of-pocket costs from a hospital stay can add up.

The benefits are paid in lump sum amounts to you, and can help offset expenses that primary health insurance doesn't cover (like deductibles, co-insurance amounts or co-pays), or benefits can be used for any non-medical expenses (like housing costs, groceries, car expenses, etc.).

ASKED & ANSWERED

IS THIS COVERAGE HSA COMPATIBLE?

If you (or any dependent(s)) currently participate in a Health Saving Account (HSA) or if you plan to do so in the future, you should be aware that the IRS limits the types of supplemental insurance you may have in addition to a HSA, while still maintaining the tax-exempt status of the HSA.

This plan design was designed to be compatible with Health Savings Accounts (HSAs). However, if you have or plan to open an HSA, please consult your tax and legal advisors to determine which supplemental benefits may be purchased by employees with an HSA.

WHO IS ELIGIBLE?

You are eligible if you are an active full-time physician or active full-time employee who works at least 30 hours per week on a regularly scheduled basis and enrolled in the MIT Health Plan, excluding on call hours.

Your spouse and child(ren) are also eligible for coverage. Any child(ren) must be under age 26.

AM I GUARANTEED COVERAGE?

This insurance is guaranteed issue coverage – it is available without having to provide information about your or your family's health. All you have to do is elect the coverage to become insured.

HOW MUCH DOES IT COST AND HOW DO I PAY FOR THIS INSURANCE?

Premiums are provided above. You may elect insurance for you only, or for you and your dependent(s), by choosing the applicable coverage tier.

Premiums will be automatically paid through payroll deduction, as authorized by you during the enrollment process. This ensures you don't have to worry about writing a check or missing a payment.

WHEN CAN I ENROLL?

You may enroll during your Fall 2023 enrollment period, or any scheduled enrollment period provided by your Members' Insurance Trust.

WHEN DOES THIS INSURANCE BEGIN?

The initial effective date of this coverage is 1/1/2024. Subject to any eligibility waiting period established by your employer, if you enroll for coverage prior to this date, insurance will become effective on this date. If you enroll for coverage after this date, insurance will become effective in accordance with the terms of the certificate (usually the first day of the month following the date you elect coverage).

You must be actively at work with your employer on the day your coverage takes effect. Your spouse and child(ren) must be performing normal activities and not be confined (at home or in a hospital/care facility).

WHEN DOES THIS INSURANCE END?

This insurance will end when you or your dependents no longer satisfy the applicable eligibility conditions, premium is unpaid, you are no longer actively working, you leave your employer, or the coverage is no longer offered.

CAN I KEEP THIS INSURANCE IF I LEAVE MY EMPLOYER OR AM NO LONGER A MEMBER OF THIS GROUP?

Yes, you can take this coverage with you. Your spouse/partner may also continue insurance in certain circumstances.

¹Kaiser Family Foundation, November 2019. Adjusted expenses per inpatient day include expenses incurred for both inpatient and outpatient care; inpatient days are adjusted higher to reflect an estimate of the volume of outpatient services: <https://www.kff.org/health-costs/state-indicator/expenses-per-inpatient-day>, viewed as of 4/16/2021.

²For Hospital Care benefits, when an insured is eligible for more than one benefit in a single day, only the highest benefit will be paid.

- Dental care or treatment, except for:
 - Treatment due to an Injury to sound natural teeth within 12 months of an accident
 - Treatment necessary due to congenital disease or anomaly

Exclusions will vary by the jurisdiction/state in which the policy is issued.

NOTICES

THIS IS A HOSPITAL CONFINEMENT INDEMNITY POLICY. THE POLICY PROVIDES LIMITED BENEFITS. This limited benefit plan (1) does not constitute major medical coverage, and (2) does not satisfy the individual mandate of the Affordable Care Act (ACA) because the coverage does not meet the requirements of minimum essential coverage.

In New York: This policy provides limited benefits health insurance only. It does NOT provide basic hospital, basic medical or major medical insurance as defined by the New York State Department of Financial Services.

The Policy may provide payment of several benefits as a result of claims from a single hospitalization or covered incident. Payment of one benefit under the Policy does not constitute acceptance of liability for all claims made under the Policy nor does it prohibit Us from further investigation of subsequent claims.

Please note: For residents of CA, GA, NJ and NY, since this is a limited benefit health product, persons without comprehensive health benefits from an individual or group health insurance policy or an HMO, or an employer plan providing essential health benefits are not eligible for this insurance. For residents of CT, ID, ME, NH, and WV, a person covered by any Title XIX program (Medicaid or any similar name) is not eligible for this insurance.
