The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance.

- 1) neither Employee may be covered as a Dependent of the other person; and
- 2) Dependent Child(ren) may only be covered as a Dependent of one Employee.

The date on which an Employee or Dependent becomes eligible for coverage may not be the same date on which insurance begins. The Coverage Effective Date provision describes the date on which insurance begins.

Initial Enrollment

An Employee must enroll for coverage for the Employee and any Dependent(s) within 31 days following the day the Employee or Dependent(s) first become(s) eligible for coverage under the Policy.

If an Employee does not elect coverage during the Employee's or Dependent's initial enrollment period, future enrollment may only occur as provided in the Changes in Coverage provision.

All Coverage Effective Dates, Changes in Coverage effective dates and Reinstatement of Coverage effective dates for an Employee and any Dependent(s) will be deferred if an Employee is not Actively at Work on the day coverage would otherwise begin. If deferred, coverage will become effective on the day after the date the Employee has completed one full day of Active Work.

All Coverage Effective Dates, Changes in Coverage effective dates, New Dependent Coverage effective dates and Reinstatement of Coverage effective dates for a Dependent will also be deferred if on the date the Dependent is to become covered, he or she is Confined or Confined Elsewhere. except for coverage that ended due to non-payment of premium or voluntary termination of coverage by an Employee.

Reinstated coverage will become effective on the first day of the month following the date on which the reinstatement is requested, subject to the Deferred Coverage Effective Date provision.

Reinstated coverage is subject to all other terms and provisions of the Policy.

If coverage ended due to non-payment of premium or voluntary termination of coverage by an Employee, reinstatement is not available and the Employee may not re-enroll until the next Annual Enrollment Period or Additional Enrollment Event occurs.

Reinstatement is also not available for coverage that an Employee or any Dependent(s) continued under the Portability provision unless such coverage is cancelled or surrendered.

Continuation Option(s)

Federal and/or State Laws: The federal Family and Medical Leave Act (FMLA) and Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto, as well as other applicable federal or state laws, may allow continuation of insurance in certain circumstances for medical leaves of absence, military leaves of absence, other leaves of absence, layoff or termination of employment.

If You are not Actively at Work and are eligible to continue insurance under one of these laws, coverage may be continued for up to the time period allowed by the law that enables the continuation. Contact the Participating Employer for additional information regarding continuation options that may be available through federal and/or state laws.

PORTABILITY

Portability

You or Your insured Spouse, in certain circumstances, may continue coverage under a group portability policy when coverage ends under the Policy. - 1) You are no longer Actively at Work and are not eligible for coverage under any other Continuation provision in this Certificate;
- 2) You are no longer employed by the Participating Employer, including retirement; or
- 3) the Policy terminates and the Participating Employer does not obtain a replacement policy with another insurance carrier within 31 days.

If You are eligible to request portability coverage, then You must elect insurance under the portability policy in order for any Dependent(s) to be eligible for coverage under the portability policy.

An insured Spouse who is age 79 or younger may request portability coverage for him/herself and any insured Dependent Child(ren):

- 2) in the event of divorce or legal separation from You; or

If an insured Spouse elects coverage under the portability policy, the Spouse will become the primary insured under the portability policy. Any Dependent Child(ren) may be covered under the Employee or the Spouse, but not both.

Electing Portability

When coverage under the Policy ends, notice of the right to request portability coverage will be given. To elect coverage under a group portability policy, You or Your insured Spouse must send a request to Us. The benefits and premium rates of the portability policy are described on Our portability request form, which can be obtained by contacting the Participating Employer or Us.

The request and the initial premium due must be received within 31 days after insurance under the Policy ends. If timely notice is not given, an extension of the period of time in which to request portability coverage will be allowed. You or Your Spouse will have 15 days from the date notice is received to submit his/her request and initial premium. However, in no event will a request be accepted by Us if received more than 91 days after the date coverage under the Policy would otherwise end, even if notice is not received.

The continued group insurance coverage under the portability policy is available as a result of portability rights that arise solely from the Policy, as arranged for the Employee as an employee welfare benefit subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Certain states are community property states. If You live in a community property state and designate someone other than Your Spouse as a beneficiary, state law may require that Your Spouse consent to such designation. If spousal consent to the designation is not obtained, then such designation may not be effective. Community property states as of the Policy Effective Date include: Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Texas, Washington and Wisconsin.

Change of Beneficiary

The beneficiary may be changed at any time by You or Your assignee (if You assigned this insurance). To make a change, a request should be provided to the Participating Employer, plan administrator or to the office/system where beneficiary records for the Policy are kept. If it is not known where the records are kept, then the request may be provided to Us. When received by the Participating Employer, plan administrator, office/system where beneficiary records for the Policy are kept or Us, the change will take effect as of the date the request is signed. The change will not apply to any payments or other action taken by Us before the request was received.

The right to change of beneficiary is reserved to You, and the consent of the beneficiary or beneficiaries shall not be requisite to any change in beneficiary, unless the current beneficiary designation is irrevocable.

Claim Denial

If a claim for benefits is wholly or partly denied, the claimant will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to the Policy provisions on which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

Claim Appeal

On any claim, the claimant or his or her representative may appeal to Us for a full and fair review. To do so, the claimant:

- 1) must submit a written request for review within:
 - a) 180 days of receipt of Claim Denial if the claim requires Us to make a determination of a Covered Illness or Covered Injury; or

- b) 60 days of receipt of Claim Denial if the claim does not require Us to make a determination of a Covered Illness or Covered Injury or other loss; and
- 2) may request copies of all documents, records, and other information relevant to the claim; and
- 3) may submit written comments, documents, records and other information relating to the claim.

We will respond in writing with Our final decision on the claim.

Overpayment Recovery

We have the right to recover from You or the recipient of benefits any amount that We determine to be an overpayment. You or the recipient of benefits has the obligation to refund to Us any such amount.

If benefits are overpaid on any claim, You or the recipient of benefits must reimburse Us within 90 days.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
 - a) You;
 - b) any other person to or for whom payment was made; or
 - c) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors until full reimbursement is made;
- 3) refer the unpaid balance to a collection agency; and
- 4) pursue and enforce all legal and equitable rights in court.

No statement made by a Covered Person will be used in any contest unless a copy of the statement is furnished to the Covered Person, his or her beneficiary or personal representative.

Time Limit on Certain Defenses

Absent a showing of intentional fraud, no statement concerning insurability made by any Covered Person shall be used to contest the validity of the insurance for which the statement was made after this Policy has been in force for two years. In order to be used, the statement must be in writing and signed by the person making the statement. However, We are not precluded at any time from asserting defenses based upon the person's ineligibility for coverage under this Policy, or upon other provisions in the Policy.

Legal Actions

No legal action may start:

- 1) until 60 days after Proof of Loss has been given; or
- 2) more than 6 years after the time Proof of Loss is required to be given; unless otherwise required by law in Your or the claimant's jurisdiction of residence.

Misstatement of Age

If the age of any Covered Person has been misstated:

- 1) the premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

Assignment

You have the right to absolutely assign Your rights and interest under the Policy including, but not limited to, the following:

- 1) the right to make any contributions required to keep the insurance in force; and
- 2) the right to name and change a beneficiary.

We will recognize any absolute assignment made by You under the Policy, provided:

- 1) it is duly executed; and
- 2) a copy is acknowledged and on file with Us.

We and the Policyholder assume no responsibility:

- 1) for the validity or effect of any assignment; or
- 2) to provide any assignee with notices which We may be obligated to provide to You.

You do not have the right to collaterally assign his/her rights and interest under the Policy.

Insurance Fraud

Insurance fraud occurs when any person and/or the Participating Employer provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if a person and/or the Participating Employer commit insurance fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit insurance fraud. We will pursue all available legal remedies if a person and/or the Participating Employer perpetrate insurance fraud.

Conformity with State and Federal Laws

Any provision of the Policy that is contrary to the law of the jurisdiction in which it is delivered or with any other applicable law is amended to meet the minimum requirements of the law.

Time Periods

Unless otherwise specifically stated, all time periods begin and end at 12:01 A.M., Standard Time at the place where the Policy is delivered.

Workers' Compensation

The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.

Unpaid Premium

Upon the payment of a claim, any premium then due and unpaid may be deducted from the claim payment.

Policy Interpretation

We have full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy. This provision applies where the interpretation of the Policy is governed by the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Summary of the South Carolina Life and Accident and Health Insurance Guaranty Association Act and Notice Concerning Coverage Limitations and Exclusions

Residents of South Carolina who hold life insurance, annuities, or health insurance policies should know that the insurance companies and health maintenance organizations (HMOs) licensed in this state to write these types of insurance are required by law to be members of the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA). The purpose of SCLAHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, SCLAHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through SCLAHIGA is limited. Consumers should shop around for insurance coverage and exercise care and diligence when selecting insurance coverage.

Disclaimer

Under South Carolina law, the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA) may provide coverage of certain direct life insurance policies, accident and health insurance policies, annuity contracts and contracts supplemental to life, accident and health insurance policies and annuity contract claims (covered claims) if the insurer becomes impaired or insolvent. South Carolina law does not require the SCLAHIGA to provide coverage for every policy. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.**

Coverage is generally conditioned upon residence in this state. Other conditions that may preclude or exclude coverage are described in this notice. Even if coverage is provided, there are significant limits and exclusions. Please read the entire notice for further details on limitations and exclusions.

Insurance companies and insurance agents are prohibited by law from using the existence of the SCLAHIGA or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under SCLAHIGA when selecting an insurer. The South Carolina Life and Accident and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

If you think the law has been violated, you may file a written complaint with the SCLAHIGA or the South Carolina Department of Insurance at the addresses listed below:

South Carolina Life and Accident and Health Insurance Guaranty Association Attention: Executive Director P.O. Box 8625 Columbia, SC 29202

South Carolina Department of Insurance Attention: Office of Consumer Services 1201 Main Street, Suite 1000 Columbia, SC 29201 Electronic complaint submission via www.doi.sc.gov/complaint

Please attach copies of all pertinent documentation. You may submit a written complaint or a complaint electronically to the Department through submission of the electronic form on the Department's website at www.doi.sc.gov/complaint. You should receive a response to your complaint within 10 days.

This safety-net coverage is provided for in the South Carolina Life and Accident and Health Insurance Guaranty Association Act (the Act). The following summary of the Act's coverages, exclusions and limits does not cover all provisions of the Act; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the SCLAHIGA.

COVERAGE

Generally, individuals will be protected by the SCLAHIGA if they live in this state and hold a covered life, accident, health or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in South Carolina. The beneficiaries, payees or assignees of insured persons may also be protected if they live in another state unless circumstances described under the Act exclude coverage.

EXCLUSIONS FROM COVERAGE

Persons who hold a covered life, accident, health or annuity policy, plan or contract are not protected by SCLAHIGA if:

- They are eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- The insurer was not authorized to do business in this state; or
- They acquired rights to receive payments through a structured settlement factoring agreement.

SCLAHIGA also does not provide coverage for:

- A portion of a policy or contract or part thereof not guaranteed by the member insurer, or under which the risk is borne by the policy or contract owner;
- A policy or contract of reinsurance, unless assumption certificates have been issued;
- Interest rate or crediting rate yields or similar factors employed in calculating value changes that exceed an average rate;
- Any policy or contract issued by assessment mutuals, fraternal, and nonprofit hospital and medical service plans;
- Benefits payable by an employer, association or other person under: (a) a multiple employer welfare arrangement; (b) a minimum premium group insurance plan; (c) a stop-loss group insurance plan; or (d) an administrative services contract;
- A portion of a policy or contract to the extent that it provides for (a) dividends or experience rating credits; (b) voting rights; or (c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;
- A portion of a policy or contract to the extent that the assessments required by Section 38-29-80 with respect to the policy or contract are preempted by federal or state law;
- An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner or policy owner, including without limitation: (a) Claims based on marketing materials; (b) Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements; (c) Misrepresentations of or regarding policy or contract benefits; (d) Extra-contractual claims; or (e) A claim for penalties or consequential or incidental damages;
- An unallocated annuity contract;
- A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or D or Medicaid; or
- Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The South Carolina Life and Accident and Health Insurance Guaranty Association Act also limits the amount that SCLAHIGA is obligated to pay for covered claims. The benefits for which SCLAHIGA may become liable shall in no event exceed the lesser of the following:

- With respect to one life, regardless of the number of policies or contracts: \$300,000 in life insurance death benefits, or not more than \$300,000 in net cash surrender and net cash withdrawal values for life insurance;
- For health insurance benefits: (a) \$300,000 for coverages not defined as disability income insurance or health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values; (b) \$300,000 for disability income insurance; (c) \$300,000 for long-term care insurance; (d) \$500,000 for health benefit plans; or
- \$300,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN ACCESS THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Hartford Life and Accident Insurance Company (“The Hartford” or “we”) is committed to protecting the privacy of your health information. The Hartford is required by a federal law - the Health Insurance Portability and Accountability Act (HIPAA) - to take reasonable steps to ensure the privacy of your “Protected Health Information” (PHI) and to provide you with this Notice of Privacy Practices. PHI includes all individually identifiable health information transmitted or maintained by The Hartford and/or its business associates regardless of form (oral, written, electronic).

This Notice applies to PHI obtained through the following coverages only: Hospital Indemnity, Critical Illness/Specified Disease, Retiree Medical (SMIP, GRIP, GRIP II) and (Standardized) Medicare Supplement, Prescription Drug coverage, Association Medicare Supplement, Medical Conversion Run-off, TRICARE and CHAMPVA Supplements and Long-Term Care.

Effective Date: This Notice was originally effective April 14, 2003 and as revised is effective March 10, 2022.

Uses and Disclosures of Your PHI

This section of the Notice explains how The Hartford uses and discloses your PHI with our employees, business associates, and other organizations as required or permitted by law without your authorization. We also require our business associates to protect the privacy of your PHI through written agreements with The Hartford. As explained below, we will request your written authorization in some instances to use or disclose PHI. In the event applicable law, other than HIPAA, prohibits or materially limits our uses and disclosures of PHI as described herein, we will restrict our uses and disclosures of PHI in accordance with this more restrictive law.

Required Disclosures. The use and disclosure of your PHI may be required by the Secretary of the Department of Health and Human Services to investigate and/or determine The Hartford’s compliance with HIPAA’s privacy regulations.

Uses and Disclosures Related to Treatment, Payment and Healthcare Operations. The Hartford and/or its business associates may use and disclose PHI without your authorization or opportunity to agree or object for activities related to treatment, payment, and healthcare operations. In these instances, The Hartford will not request your authorization to share PHI. As described in the next section titled **Your Privacy Rights**, you have the right to request a restriction on the use and disclosure of your PHI for treatment, payment, or healthcare operations purposes. The Hartford may not use any PHI that is “genetic information” (as defined by the Genetic Information Nondiscrimination Act of 2008) for underwriting purposes. If we use or disclose your protected health information for fundraising activities, we will provide you the choice to opt out of those activities.

Examples of activities related to treatment include: treatment provided by a specialist who asks a primary care physician to share a patient’s PHI.

Examples of activities related to payment include: payment of healthcare claims, determinations whether a member is eligible for healthcare coverage, or collection of premiums.

Examples of activities related to healthcare operations include: quality improvement; fraud and abuse prevention and detection;

case management and medical review; underwriting; and complaint resolution.

Uses and Disclosures of Your PHI That Do Not Require Your Authorization or Opportunity to Object. Your PHI may be disclosed without your authorization in the following circumstances: when required by law; public health activities; instances involving victims of abuse, neglect, or domestic violence to a government authority, including a social service or protective services agency, as required or permitted by law; governmental health oversight activities (including audits, investigations, and inspections); judicial and administrative proceedings; certain law enforcement purposes; deceased persons to coroners, health examiners, and funeral directors; organ and tissue donation; certain government-approved research purposes; upon reasonable belief to avert a serious threat to health or safety; specialized government functions (such as military personnel, and inmates in correctional facilities); to individuals involved in your care or payment for your care; emergency treatment situations; disaster relief; or workers’ compensation.

Use and Disclosures to Plan Sponsor. In some circumstances, The Hartford may also disclose PHI to the sponsor of your group health plan for plan administration functions.

Use and Disclosure to Contact You Regarding Health-Related Benefits and Services. The Hartford or its business associates may also contact you regarding health-related benefits and services that may be of interest to you.

Uses and Disclosures That Require Your Written Authorization. In all other circumstances not described above, uses and disclosures of your PHI will only be made with your written authorization. For example, we will need your authorization for the following circumstances:

- most uses or disclosures of psychotherapy notes;
- marketing communications; and
- disclosures that constitute a sale of PHI.

You may revoke such an authorization at any time, except to the extent The Hartford, its business associates, or other entities have relied on such disclosure.

Your Privacy Rights

This section of the Notice describes your rights as an individual with respect to your PHI and a brief description of how you may exercise these rights.

Right to Restrict Uses and Disclosures for Treatment, Payment and Healthcare Operations Purposes. You have the right to request that we restrict uses and disclosure of your PHI for activities related to treatment, payment and healthcare operations as described above. Your request for the restriction must be in writing. We will evaluate all requests for restrictions, however, we are generally not required to agree to the restriction. In certain circumstances, we may be obligated to honor your request for a restriction on disclosures to another health plan relating to a health care item or service for which you paid in full. If we agree to the restriction, we will abide by it, except in the case of emergency treatment or when required by law. We will terminate our agreement to a restriction if you agree to or request the termination of the restriction. If we decide to terminate our agreement to the restriction, we will notify you of our decision.

If you have paid for a health care item or service out-of-pocket and in full, you may request that we do not disclose to a health plan any PHI related solely to the item or service. We are obligated to honor that request unless we are required by law to make a disclosure.

Right to Request Confidential Communications. You may request that we communicate with you by alternative means or at alternative locations. For example, you may wish to receive communications from us at your work location rather than your home. We will evaluate all such requests, however, we must only accommodate your request if you clearly state that the communication of all or part of your PHI could endanger you.

Right to Inspect and Copy Your PHI. You have a right to access, inspect, and copy your PHI contained in a "designated record set" for as long as The Hartford maintains the PHI in the designated record set. Your right to access your PHI contained in a designated record set extends to any such information that is maintained in an electronic health record or another electronic form. However, you do not have an automatic right to access psychotherapy notes or information compiled in reasonable anticipation of, or for use in, a criminal, civil or administrative action or proceeding. We will act on a request for access within 30 days of receiving your request if the information is maintained and accessible on site or within 60 days otherwise (with a possible 30-day extension). We will provide you with a summary of the PHI requested if you agree in advance to the summary and to the fees imposed.

We may deny your request to access your PHI under certain circumstances. If your request is denied, we will send you a notice that explains our reason for the denial, your review rights (if any), and how to file a complaint with our Privacy Officer or the Secretary of the Department of Health and Human Services. In certain instances we will provide you with an opportunity for a review of the denial. The review decision must be made in a reasonable period of time, and we will send you a written notice of the review decision. We may charge a reasonable fee for access, inspection and/or copying of your PHI. This fee is based on the costs associated with copying, mailing, and summary preparation costs.

Right to Amend Your PHI. You have the right to request that we amend your PHI if you believe the information is incorrect or inaccurate. We may deny your request to amend your PHI if we did not create the PHI, if the information is not part of our records, if the information was not available for inspection, or if the information is accurate and complete. We will respond to your written request to amend your PHI within 60 days of the request (with a possible 30-day extension).

If your request for amendment is granted, we will notify you that the amendment was approved. Upon your identification of relevant persons, we will obtain your agreement to inform them of the change. We will make reasonable efforts to inform and provide the amendment within a reasonable time to persons identified by you and by us, including our business associates.

If your request for the amendment is denied, we will send you a written notice that explains the reason for the denial, your right to submit a written statement of disagreement or to have the request for amendment included with future disclosures, and your right to file a complaint with our Privacy Officer and/or the Secretary of the Department of Health and Human Services.

We may prepare a rebuttal statement to your statement of disagreement. We will provide you with a copy of the rebuttal statement.

Any future disclosures of your PHI will include the statement of disagreement or request for amendment, the denial notice, and the rebuttal or summary of this information.

Right to an Accounting of Disclosures. You have the right to receive an accounting of disclosures of your PHI made by The Hartford during the six years prior to the date of your request. We will act on your request for an accounting of disclosures within 60 days (with a possible 30-day extension).

This accounting of disclosures will not include disclosures made: prior to effective date of HIPAA, April 14, 2003; for treatment, payment, and healthcare operations; to you or your personal representative; pursuant to an authorization; for national security or intelligence purposes, as provided in regulations under HIPAA; to correctional institutions or law enforcement officials, as provided in regulations under HIPAA; incident to a use or disclosure permitted or required by law; and to persons involved in your care (if you were present), you were incapacitated, or for disaster relief purposes.

We will provide you with one free accounting each year. For subsequent requests, we will charge a reasonable fee. The written accounting of disclosures will include the following information for each disclosure: the date of the disclosure, the person to whom the information was disclosed, a brief description of the information disclosed or in lieu of the summary, a copy of the written request for the disclosure.

Right to be Notified Following a Breach. You have a right to be notified if there has been a breach involving your unsecured PHI.

Right to a Copy of Notice of Privacy Practices. You have the right to receive a paper copy of this Notice upon request, even if you agreed to receive the Notice electronically.

Complaints. You may file a complaint with The Hartford or the Secretary of the Department of Health and Human Services if you believe your privacy rights have been violated. To file a complaint with The Hartford, contact the Consumer Rights and Privacy Compliance Unit at ConsumerPrivacyInquiriesMailbox@thehartford.com. We will not retaliate against you for filing a complaint.

Contact Information. If you have any questions about this Notice, or the subjects addressed in it including how to exercise your rights as set forth in this Notice, please contact the Consumer Rights and Privacy Compliance Unit at the email address above or call us at: 860-547-5000.

The Hartford's Duties

The Hartford will abide by the terms of this Notice of Privacy Practices.

The Hartford reserves the right to change its privacy practices and apply the changes to any PHI received or maintained by The Hartford prior to that date. If a privacy practice is materially changed, The Hartford will provide you with a revised Notice of Privacy Practices by mail or any other reasonable method of communication used to process or service your insurance or transactions with us.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

Claim Procedures for Claims Requiring a Determination of Disability

Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Insurance Company has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on *de minimis* violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Insurance Company demonstrates that the violation was for good cause or due to matters beyond the control of the Insurance Company and that the violation occurred in the context of an ongoing, good faith exchange of information between the Insurance Company and you. This exception is not available if the violation is part of a pattern or practice of violations by the Insurance Company. Before filing a civil action, you may request a written explanation of the violation from the Insurance Company, and the Insurance Company must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Insurance Company met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Insurance Company's receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Insurance Company shall provide you with notice of the resubmission.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Insurance Company, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the Insurance Company's review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Insurance Company do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and 10) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company (or at the direction of the Insurance Company) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before the Insurance Company can issue an adverse benefit determination on review based on a new or additional rationale, the Insurance Company shall provide you, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request. The Insurance Company may also toll the time for a decision to allow you a reasonable opportunity to respond to new or additional evidence or a new or additional rationale. Tolling will begin on the date that the Insurance Company provides you with new or additional evidence or a new or additional rationale, and end when the Insurance Company receives the response or on the date by which the Insurance Company has requested a response, whichever comes first.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 6) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 7) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance

Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist; 8) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company; and 9) any other notice(s), statement(s) or information required by applicable law.

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.
